CURRICULUM VITAE

I. (a) Name: Dideolu Osunkoya

(b) Email: dideoluosunkoya@gmail.com; d.osunkoya@ui.edu.ng

(c) Phone numbers: +2348035170927, 08125842111

(d) Website: http://www.ui.edu.ng/d.osunkoya

II. University Education and Academic Qualifications (with dates):

(a) University of Ibadan, Ibadan, Nigeria: 2017 - date
Doctor of Philosophy (Theriogenology)

(b) University of Ibadan, Ibadan, Nigeria: 2014-2016
Master of Science (Veterinary Reproduction)
Distinction grade (6.6/7.0)

(c) University of Ibadan, Ibadan, Nigeria: 2006-2012
Doctor of Veterinary Medicine (D.V.M) with
Distinction

III. Professional Qualifications and Diplomas (with dates):

(a) Doctor of Veterinary Medicine (D.V.M) 2012
(b) Registered Veterinary Surgeon (VCN Reg. No. 6798) 2013
(c) Certificate in Molecular Biology (Cert.Mol.Biol) 2019
(d) Fellow, College of Veterinary Surgeons, Nigeria (FCVSN) 2025

IV. Scholarships, Fellowships and Prizes (with dates) in respect of Undergraduate and Postgraduate work only:

(a) Raymond Zard Scholarship 2010
(b) Recipient of the Dean's Roll of Honour 2013
(c) Certificate of Outstanding Academic Performance 2013
(e) University of Ibadan Scholarship, University of Ibadan 2014-2016
(f) Postgraduate School Scholarship, University of Ibadan 2018-2019
(g) UI-RESDEV Awards 2026

V. Honours, Distinctions and Membership of Learned Societies:

(a) Member, Nigerian Veterinary Medical Association (NVMA).

(b) Member, Society of Animal Reproduction and Improvement (SARI)

(c) Member, Forum for Nigerian Toxicologist (FONTOX)

(d) Member, Ovarian Research Early Career Network (OvaREN)

VI. Project, Dissertation and Thesis:

i. **Osunkoya, Dideolu** (2012). Evaluation of Safety and quality of Surgical care at a Veterinary Teaching Hospital. DVM. Project, University of Nigeria, 54 pp.

ii. **Osunkoya, Dideolu** (2016). Phenotypic and Genotypic characterization of Nigerian indigenous Dogs in Southwest, Nigeria. MVSc, Dissertation, University of Ibadan, 91 pp.

VII. Project Students Supervised

- Abiodun Oluwatobi Samuel (Matric No: 207568) - January, 2025

  Project topic: Farmer-Reported Incidences and Perceived Causes of Neonatal Mortality in Sheep Flocks in Ibadan, Oyo State

- Adisa Tomiwa Samuel (Matric No: 215958) - November, 2025

  Project topic: The Ameliorative Effects of N-Acetyl Cysteine on Diethyl phthalate-exposed Uterus of Wistar Rats

- Alasade Oluwaseun (Matric No: 223582) - October, 2026

  Project topic: The combined protective Effects of Zinc and N-acetylcysteine supplementation on Diethyl phthalate-exposed uterus of Wistar Rats

VIII. Work Experience(s):

1. **Lecturer II**

   Department of Theriogenology,
   Faculty of Veterinary Medicine,
   University of Ibadan.
   Period: June 2024-till date

Responsibilities:

- Teaching undergraduate students, and Course coordinator for Clinics I and II.
- Grading and recording of undergraduate examinations
- Conducting scientific research in Theriogenology

2. **Registrar**

Theriogenology Clinic,
Veterinary Teaching Hospital,
Faculty of Veterinary Medicine, University of Ibadan.
Period: July 2024-till date

Responsibilities:

- Diagnosis and treatment of various reproductive diseases and disorders in different animal species.
- Providing various reproductive services to livestock and companion animals at the VTH.
- Teaching of clinics to DVM students

3. **Associate Veterinarian**

Animal Planet Vetcare Consult, Ibadan, Oyo State:
Period: 2014-2024

Responsibilities:

- Diagnosis and treatment of various diseases and disorders in livestock and companion animal species.

X. Publications:

(a) Chapter in Books Already Published:

1. A.A. Oladipupo and **Osunkoya, Dideolu** (2019) In: Leigh O. O., Mutembi, H. M. and Agbugba, L. C. (Eds.) Guide to clinical and laboratory procedures in Theriogenology. 209-240pp. ISBN 978-978-526-602-3. 324 pages.

(b) **Articles that have already appeared in learned journals:**

1. Ajani, O. S., **Osunkoya, D.**, Akinniyi, O. O., 2025: Morphometric changes in male reproductive organs of wistar rats following combined melatonin and Bisphenol-A tretament. Folia Veterinaria, 69, 1, 17-24.

2. **Osunkoya, D.**, Anifowose, O., Omosekeji, L., Akinniyi, O., Onaja, M., Olakojo, T., … Ajala, O. (2025). Characterization and antimicrobial resistance of vaginal microbiota in mares from Lagos and Oyo States, Nigeria. *Veterinaria*, *74*(2), 179–190. https://doi.org/10.51607/22331360.2025.74.2.179
3. Taiwo, A. O., **Osunkoya, D.,** Ajani, O. S., Ajayi, T. A., & Oyeyemi, M. O. (2025). Mammary gland adenocarcinoma in an adult Dogo Argentino bitch: a case study. *Animal Research International*, *22*(1), 5931
4. Ogundipe, T. T., Akinjiola, A. M., Samuel, E. S., **Osunkoya, D.,** Famakinde, S. A., Leigh, O. O.., & Ajala, O. O. (2025). Determination of porcine foetal age using foetal biometric indices. *Animal Research International*, *22*(1), 5975
5. **Osunkoya, D.,** Agbugba, L. C., Bolaji, O. F., Ajala, O. O. and Oyeyemi, M. O. Post parturient uterine prolapse in a Yankassa ewe presented to the Veterinary Teaching Hospital, University of Ibadan, Ibadan. Tropical Vet 43 (1) Pages 59 – 64, 2025. https://ojshostng.com/index.php/TropicalVet/article/view/4038 (Nigeria)
6. Olumide Odunayo AKINNIYI, Dorcas Oluwadara AFOLABI, Philip Wayuta MSHELIA, Tolulope Ademola OLAKOJO, Iskiil Oladehinde OYENEKAN, Osereime ADAH, **Dideolu OSUNKOYA**, Sunday Charles OLAOGUN, Olalekan Taiwo JEREMIAH and Temidayo Olutayo OMOBOWALE., 2026: Comparative study of dental age estimation methods against known chronological age in Nigerian local horses. *J. Equine Sci.,* Vol. 37, No. 1, Pages. 9–20.
7. **Dideolu Osunkoya,** Foluke Olajumoke Jemilehin, Enoch Jesutobi Adetoyan, Oluwatoyin Oluwasola Ajala: Bacterial Causes of Neonatal Mortality in Sheep: A Review. *Folia Veterinaria,* 70, 1: 19—32.
8. ALABI, Foluso Bolawaye, FABIYI, Babatola Olayinka, **OSUNKOYA, Dideolu**, OBAFEMI, Oluropo Michael, ADEDIRAN, Shakirat Omolara and OYEYEMI, Matthew Olugbenga., 2026: Caesarean Section Following Prolonged Dystocia and Vaginal Prolapse in a Two-Year-Old Ouda Ewe: A Case Report: *Animal Research International*, 23(2): 7017 – 7021.

(c) **Articles that have already appeared in conference proceedings:**

1. Aderorunmu, E. A., Ajala, O. O., Oloye, A. O. and **Osunkoya, D.** Suitability study of different physiologic solutions as semen extenders in indigenous Nigerian Turkey Tom's Nigerian Veterinary Medical Association, 60th National Congress and AGM pg 91.

2. **Dideolu Osunkoya,** Oluwatoyin O. Ajala, Olufisayo, O. Leigh. Dystocia in a Boerboel Bitch Presented to the Theriogenology Clinic, Veterinary Teaching Hospital, University of Ibadan: A Case Report. Proc. of 1st OWSD Southwest Conf. 3rd - 6th Sept., 2024, Univ. of Ibadan, Nigeria. Pages 213 – 217, 2025.

XI. Conferences/Workshops attended:

1. First International Conference of the Pan African University (PAU) held on 19-21 November, 2024 in Ibadan, Nigeria.

   Paper Read: Characterization and antimicrobial resistance of vaginal microbiota in mares from Lagos and Oyo States, Nigeria

   Osunkoya, D., Anifowose, O., Omosekeji, L., Akinniyi, O., Onaja, M., Olakojo, T., … Ajala,(2024).

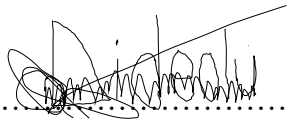

2. Organization for Women in Science in Developing Countries (OWSD), Southwest Conf. 3rd - 6th Sept., 2024, Univ. of Ibadan, Nigeria. Pages 213 – 217, 2025.

   Paper Read: Dystocia in a Boerboel Bitch Presented to the Theriogenology Clinic, Veterinary Teaching Hospital, University of Ibadan: A Case Report

   Dideolu Osunkoya, Oluwatoyin O. Ajala, Olufisayo, O. Leigh

3. Society of Animal Reproduction & Improvement Maiden Conference Ibadan, 27 March, 2024.

Signed

……..

Dr. DIDEOLU OSUNKOYA

(DVM, MVSc, Cert. Mol.Biol, FCVSN)
